Re: Notice of Intent to Award Contract

Dear Mr Merrick:

The Morongo Basin Transit Authority (MBTA) has evaluated the price proposals submitted by your firm in response to the MBTA/CalACT Cooperative's RFP #09-04. The price proposals are compliant with the RFP's competitive range requirements for base and option pricing as specified in the solicitation. The MBTA has previously found your proposals responsive to the non-cost based evaluation factors required by our RFP. We are pleased to inform Tolar Manufacturing of its award for the CalACT-MBTA Shelter Project.

We thank Tolar Manufacturing for its responsiveness to our solicitation and congratulate you on your award.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joe G. Meer', is written below the word 'Sincerely,'.

Joe G. Meer
General Manager
