Dear Friends and Colleagues:

We are pleased to inform everyone that our procurement for Cutaway vehicles has completed the post bid review process by CalTrans, Division of Mass Transportation and received a final letter of approval indicating the bid is in compliance with all of the Federal Transit Administration's contract requirements and statutes.

Please contact the vendor of your choice from the purchasing schedule to select vehicles or shelters and request a letter of assignment from CalACT.

We thank the staff at CalTrans and our partner agencies in this endeavor for all of their efforts.

Sincerely,
