

Dual Parallel Arm (DPA) Lift technical overview webinars

These webinars will cover our BraunAbility Dual Parallel Arm (DPA-2) lift products, including identification and maintenance procedures. BraunAbility Lifts covered are Century Series™, Millennium Series™, and Vista Series™. It is intended to provide you the information to understand theory and operation, and to properly maintain and pre-trip BraunAbility DPA-2 lifts.

This course is not a BraunAbility certification or recertification course. The registrant will receive a certificate of attendance after attending the webinar.
