

NOW HIRING!

Assistant/Associate Transit Planner

Thousand Oaks Transit, an award-winning, small public transit program in one of California's premier cities, is hiring the program's first full-time Transit Planner.

As a contracted service program that also manages transit services for five other public agencies, we are seeking candidates looking for a fast-paced and varied work environment, in an innovative and progressive public agency with an adopted telework policy.

Individuals with 2+ years public transit experience and/or are interested in a career in Transit program management are encouraged to apply.
