

STANISLAUS COUNTY PUBLIC WORKS DEPARTMENT, TRANSIT DIVISION

NOTICE
REQUEST FOR PROPOSALS (RFP)
INTELLIGENT TRANSPORTATION SYSTEM (ITS)
RFP #: 18-41-AS

Sealed proposals will be received by the Purchasing Officer, Abe Souza, at 1010 10th Street, Suite 5400, Modesto, California, 95354, until January 8, 2019 and must be time-stamped no later than 2:30 PM Pacific Time.

Stanislaus County (County) Public Works Department, Transit Division, operating the Stanislaus Regional Transit (SRT), or *StaRT* is requesting proposals from qualified and experienced contractors to provide and deliver a turnkey Intelligent Transportation System, fully hosted and managed for five (5) years, comprised of Automatic Vehicle Location (AVL), Computer Aided Dispatch (CAD), Automatic Stop Annunciation (ASA), Automated Passenger Counters and a Passenger Information Network (PIN) for its Fixed-Route vehicles; and Automatic Vehicle Location (AVL)/Mobile Data Terminals (MDTs) for its Demand Response vehicles. *StaRT* has approximately 45 fixed route and demand response vehicles.

The Request for Proposal (RFP) which contains the project requirements, scope of work, draft agreement, exhibits, etc., are available to download for free at the County's PlanetBid website.

A Pre-Proposal Conference (mandatory for Proposers wishing to be considered) will be held on December 6, 2018 at 1:30 PM 1010 10th Street, (Room 4104 – Stuart), Modesto, California, to receive questions and comments pertaining to this RFP. Proposer must submit written questions and requests for clarification by 5:00 PM December 11, 2018 via email to: souzaa@stancounty.com.
